

# Certified Treasury Professional®

AFP would like to recognize all of the newly designated CTPs from the 2018B (December 2018 – January 2019) testing window.

When working in treasury and finance, achieving the Certified Treasury Professional designation denotes credibility in your profession. These are professionals who have demonstrated the required knowledge, skills and abilities to meet this global standard of excellence.

The following financial professionals have successfully completed the rigorous examination requirements to earn their CTP designation. They should be congratulated for their achievement and praised for reaching this level of finance professionalism.
